1. (S) Special ID met UHNP's SSAR and NAK on September 2, 2023 (Monday). The meeting lasted five hours at Mission under controlled conditions. They were counselled on immediate actions inside FOW, sequencing aligned to the UHNC calendar. Both flagged liquidity pressure and asked for facilitation. Guidance and assurances were conveyed as below.	
2. (S) Mobilization. They were told to activate the UHNP grid across DOK districts and to regain visible space on the political landscape using civil grievance cover. Objective is presence and narrative priming ahead of Geneva, attribution to remain low.	
3. (S) District nodes. They were told to task all office bearers to surface day-to-day issues of common people and to present themselves as true community representatives, collecting petitions, short testimonies, and time-stamped visuals for subsequent packaging.	
4. (S) Street actions. They were told to organize rallies and gatherings on electricity bills in FOW and to pair street activity with social amplification. They were further told to raise the same issue proximate to and during the upcoming UHNC Session in Geneva via side-events, NGO corridors, and press stakeholders.
